The VISION of the *Global Life Campaign* is: Abortion is no more because there are communities of people within the nations who love one another and protect human life at every stage, and whose policies and practices honor the Laws of Nature and of Nature's God.

The 5-Fold MISSION of the *Global Life Campaign* is to:

REMEMBER the Bible as the unchanging foundation for truth in all of life.

RESEARCH abortion in the light of history to awaken all of humanity to the Greatest Genocide of all time. **Become the most trustworthy source** for data and analysis on abortion worldwide.

REMINd the Church to love one another, especially to defend the fatherless, "the least of these."

ADVOCATE for the preborn by going to nations and their leaders, recommending policies and practices that protect the sanctity of all human life, from conception to natural death.

SERVE and inspire movements to end abortion in every nation.
