Multi-National Day of Repentance for Abortion

18 NOVEMBER 2020

100th Anniversary of
First Nation
Authorizing Abortion

ABORTION WORLDWIDE REPORT:

1 Century, 100 Nations, 1 Billion Babies

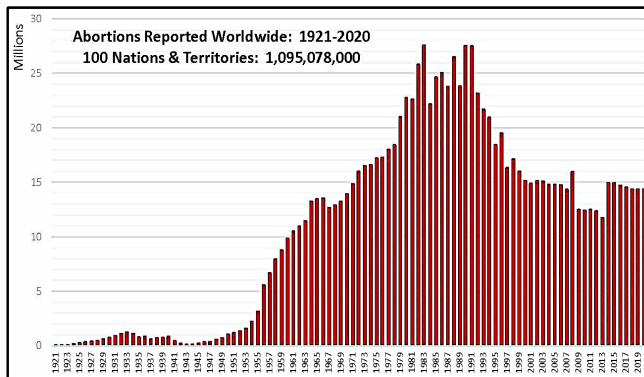

The History, Policies and Sacred Accounting,
and the Means to Restore Protection of Human Life

edited by Thomas W. Jacobson
and Wm. Robert Johnston

Background & Results

On **18 November 1920**, the former Russian Soviet Federated Socialist Republic – which later expanded to the Union of Soviet Socialist Republics (U.S.S.R.) – became the **first nation in history to authorize elective abortion**. **7 of 10 other nations have done the same**. This year, **18 November 2020** marks the **100th year anniversary** of that abortion decree that started a global movement among nations resulting in the **Greatest Genocide** in history. As a result:

- **1.1 Billion Babies** have been murdered by abortion
- in **1 century**
- in **137 nations** who authorized abortion, including 62 million babies aborted in the United States.
- **40,000** unborn babies are murdered every day worldwide.
- **#1 cause of death** in the world.

Spiritual reality: By the design of the Creator, when innocent blood is shed it cries out to God continually for justice and atonement [1]. The sacrifice of preborn or newly born children is innocent bloodshed that brings the inevitable and irreversible judgment of God upon nations. By command of Pharaoh, ancient Egyptians murdered newborn sons of the Israelites [2]. When God judged them, He brought 10 plagues upon Egypt. In the final plague, the angel of death took the lives of the firstborn in every household [3]. The lands that God gave to Abraham, Isaac, Jacob and Israel were at that time the world capital of child sacrifice [4]. When God brought Israel out of Egypt, He used them to wipe out those specific nations. Yet centuries later, when Israel and Judah were committing the same sins of immorality, idolatry and child sacrifice, God brought judgment upon them [5]. **We would be wise** to assume that present plagues, disasters, political divisions, etc., are evidence that God has withdrawn His favor and protection from our nations, and unleashed judgments upon us until we humble ourselves and repent of our sins.

Solemn Day of Repentance for
Abortion, Return to God, and
Prayer for End of Abortion &
Healing, Restoration of Nations

18 November 2020

WHERE: homes, churches, communities, however the Lord leads.

ONLINE: consider hosting a Zoom or other online event.

PRAYER AGENDA: see next panel.

Purpose:

Let us genuinely humble ourselves, including by getting on our knees, agree with God about our personal and national sins, grieve the deaths of all the aborted children, and repent and ask God for forgiveness and atonement through Jesus Christ. If we do this, and end abortion, then we can have confidence that God will be merciful in judgment and will heal and restore us and our nations according to His compassion, good will & righteousness.
